Dedicated to children with cancer

2023

ANNUAL REPORT

Mission

The Sunshine Kids Foundation adds quality of life to children with cancer by providing them with exciting, positive group activities and opportunities, so they may once again do what Kids are meant to do...have fun and celebrate life!

“

Being a part of Sunshine Kids means so much to me, and I will never forget the time we all spent together.

Sunshine Kid

”

Goal

We look forward to the day when the Sunshine Kids Foundation will no longer need to exist. Until that time, the entire Sunshine Kids family is dedicated to providing the most exciting activities, trips and events for as many young cancer patients as possible.

A MESSAGE FROM OUR BOARD CHAIRMAN

Dear Friends,

2023 was a great year for the Sunshine Kids Foundation, and it was exciting to get back to a full calendar of trips and events after several years of COVID-19 disruption.

We had a busy schedule in 2023 and built on the momentum we achieved following our 40th anniversary year. As always, we are so thankful to all our wonderful donors and supporters. Without you, we would not be able to provide the amazing experiences we offer to young cancer patients and their families. Through your support, we have planned a packed schedule of trips and local and regional events for 2024. We are super excited to be able to bring back the very popular Hawaiian Hang-Loose Holiday trip along with our usual adventures to exciting destinations from New York City to Los Angeles!

We are also extremely excited to have closed our second year of the Sunshine Kids Scholarship Program. Started in 2022, we have now awarded 29 scholarships to Sunshine Kids attending various levels of college across the nation. We are committed to continuing this program to help our families with their education needs.

Again, thank you to all our donors and supporters for helping us spread sunshine to young cancer patients and their families throughout the country. We couldn't do it without you!

Sincerely,

Bret Sanders
Chairman of the Board

Bret with Sunshine Kid Hayden Nelson

“

Being a child with cancer, you think your life is over even before it started, but coming on a Sunshine Kids trip makes you realize that a lot of kids are going through the same thing and surviving too.”

 Sunshine Kid Parent

Craig Biggio

Craig Biggio, MLB Hall of Famer and former Houston Astros player, has made a lasting impact as National Spokesperson for the Sunshine Kids Foundation for over 35 years. Through his efforts, he has raised awareness and support for the organization and, alongside his own family, continues to host impactful opportunities for young cancer patients and their families on the baseball field and beyond each year.

It's a big part of my life. They're like my family. We've had some good stories and some tough stories. It means everything to me and my family to be involved with them.

Craig with Sunshine Kid Cristiano Osorio

J.K. Simmons

The Foundation is proud to have the continued support of our Academy Award-winning National Spokesperson J.K. Simmons. J.K.'s dedication to our mission knows no bounds. He consistently represents the organization at fundraisers and actively participates in our national and local events alongside the Sunshine Kids and their families. His enduring commitment serves as a pillar of strength and support for the Foundation.

I'm reminded every time I have an opportunity to interact with our amazing SpokesKids, or any of the Sunshine Kids near and far, how important Sunshine Kids Foundation is and how courageous and inspiring these kids can be.

J.K. with Sunshine Kid Mason LeBlanc

Each year, young cancer patients are selected to represent Kids with cancer from across the country. We salute our 2023 SpokesKids for their support and commitment to the Sunshine Kids Foundation.

Kendall Ramos
Portland, TX

Upon entering the 6 months of remission, I received an invitation from Sunshine Kids to participate in a trip to Chicago. This trip would be my first opportunity to be around other cancer patients due to my treatment taking place under COVID restrictions. The trip to Chicago allowed me to make memories and friends that will last a lifetime. After a week together, I returned home feeling renewed encouragement to inspire others like my new friends did for me on the Chicago trip...Thank you for giving me the opportunity to inspire and support others in their journey."

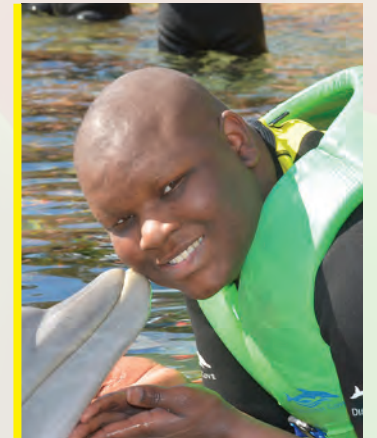

Aminata Kenneh
Hampton, GA

Last year I had the awesome opportunity to attend the Sunshine Kids California Fun-Time Fantasy trip. It was everything I imagined and more! We got to do so many incredible activities, and I met new friends as well. I often look at my pictures and souvenirs from the trip, and it always makes me glad I was able to go. It helped me to feel confident and independent again to do normal teenage things like travel after such a difficult treatment schedule...I look forward to helping other kids and young people like me by talking to them and encouraging them. I truly hope that being a SpokesKid is the first of many opportunities to do just that."

Expenses

From the Executive Director

Dear Friends,

This past year has been a year of remarkable achievements for the Foundation, and we owe this success to the dedication of our staff, the guidance of our Board, and most importantly, the unwavering support from YOU, our donors and volunteers.

Your support brought us back to the full scale of our operations, reaching young cancer patients in over 70 pediatric oncology treatment centers, allowing us to host over 250 events for children with cancer including ten week-long trips for teenagers to exciting destinations throughout the United States. As you know, these events aren't just about the exciting activities, they are about the connections made and the break they provide from the harsh reality of battling childhood cancer, providing a moment of normalcy in a world that often seems anything but.

Recently, I had the privilege of meeting a young cancer patient named Corbin from New Mexico on our trip to New Orleans. He captured the essence of the Sunshine Kids experience when he shared with me the conversation he had with his father on his first night in New Orleans. When his father asked how the trip was going, he told his father,

"I'm not having a good time... I'm having an amazing time."

Corbin went on to explain that cancer takes a toll on you, and this trip was exactly what he needed. He shared that the kids on the trip "get it" and know firsthand what he is going through.

In addition to these empowering opportunities, we now have 29 four-year Sunshine Kids Scholarship recipients, just three short years since starting the program. And proudly, we share that our new mentorship program bringing young adult childhood cancer survivors in as volunteers on our national events is making a world of difference. The impact of the Sunshine Kids experience is profound and long-lasting, and these mentors are helping to guide the kids through their journey, offering a beacon of hope and a shoulder to lean on.

As we begin 2024, we remain dedicated to our mission. We are committed to expanding our reach, maintaining the integrity and quality of our opportunities, deepening our impact, and fostering stronger connections for our kids and their families.

Jennifer with Sunshine Kid Jace Thomas

On behalf of the Foundation, I want to express our heartfelt thanks for your enduring support. It is because of you that we can continue to bring joy, hope, and life-changing opportunities to our brave Sunshine Kids. Together, we can continue to create a community of support for the young cancer patients and their families who show us every day what it means to be brave.
