The Sunshine Kids Foundation

GOAL

We look forward to the day when the Sunshine Kids Foundation will no longer need to exist. Until that time, the entire Sunshine Kids family is dedicated to providing the most exciting activities, trips and events for as many young cancer patients as possible.

MISSION

The Sunshine Kids Foundation adds quality of life to children with cancer by providing them with exciting, positive group activities and opportunities, so they may once again do what Kids are meant to do...have fun and celebrate life!

Dear Friends,

While 2022 continued to be a transition back to normal operations and events from COVID-19, the Sunshine Kids Foundation began offering our regular trips and events for our kids. The Foundation also celebrated our 40th Anniversary with a milestone event at Minute Maid Park, home of one of our longtime sponsors, the Houston Astros. At the event, we honored our National Spokesperson, Craig Biggio, and his entire family for all of their contributions to our organization throughout the years. We also heard from one of our Sunshine Kids, Kendall Ramos, whose inspirational words remind us how important your support is to our Sunshine Kids and their families. Below I’d like to share an excerpt of Kendall’s testimony.

“I received an invitation from Sunshine Kids to participate in a trip to Chicago. Needless to say, I jumped at the opportunity. Just the thought of being able to have connections with children facing the same thing as me or who really did understand made the biggest difference.

“At times, with the dread of going to the hospital, I would give myself anxiety and nausea, just thinking about being isolated. This was so different, I actually had something to look forward to.

“On our trip to Chicago, I was given the opportunity to make memories and friends that will last a lifetime. We only spent a week together, yet each of us was able to understand and relate more than we could with anyone in our day-to-day lives.

“That trip left me feeling inspired. I felt a renewed sense of encouragement to push myself and try harder to meet my walking goals. It made me feel, empowered and strong; like I can make an impact on someone like my new friends have made on me. I also felt humbled, because at times it can be tough to remember that I am not the only one who has struggled. That opportunity made me feel like a normal kid again; not like a kid who had to fight for her life. For once, I felt like a survivor.”

Together, with the help of all of you, we can continue to create these special opportunities for children like Kendall each year.

We are also fortunate to have our incredible staff who has done an amazing job developing new programming in the past few years and keeping trips and events going. Thanks to our donors, our Foundation is on strong financial footing, and we look forward to a great 2023 and beyond.

Sincerely,

Bret Sanders
Chairman of the Board

Craig Biggio

Baseball Hall of Famer

Throughout his Houston Astros career, Hall of Famer Craig Biggio has supported the Sunshine Kids Foundation. Since 2003, he has proudly served as the National Spokesperson helping to bring joy, laughter and smiles to countless Kids and their families. Together with his wife Paty, they have helped raise millions of dollars through a host of fundraising events making it possible to create more opportunities for children across the country.

J.K. Simmons

Award-Winning Actor

J.K. Simmons has appeared in a diverse range of projects from motion pictures and television to the stage. He won the 2015 Academy Award for Best Supporting Actor for his portrayal of merciless jazz instructor Fletcher in “Whiplash,” as well as numerous other awards. He proudly wears his Sunshine Kid Pin at many of his awards ceremonies in support of Kids with cancer everywhere.

J.K. and his family have been long-time friends and supporters of the Sunshine Kids Foundation. Not only have he and his wife Michelle hosted the Kids in their home, but he has attended every activity and fundraiser his schedule has allowed.

I feel honored to have the opportunity to represent the Sunshine Kids as a 2022 Sunshine Kids National Spokeskid. I’m excited to share my journey with other children who’ve had similar experiences and make new friends along the way. I’m thrilled to see where this new chapter takes us!”

Bryana Reyes

Naples, FL

The Sunshine Kids Foundation gave me the chance to be a kid while fighting a battle against my own body. I am now blessed with the chance to represent this empowering organization that gave me a chance to escape the hospital and be myself while surrounded with unconditional support. I hope to provide that for future Sunshine Kids and show them that despite what we have experienced we deserve the chance to be kids!”

Mya Rodriguez

West New York, NY

After my last chemotherapy, I was invited on the Sunshine Kids New York Staycation Trip. The trip consisted of tours, fine dining, and Broadway shows! The theater bug tickled my heart once more as we watched Wicked and The Lion King. I even had the opportunity to meet Broadway Legends, who APPLAUDED me after hearing about my admittance at New York University Tisch! It was truly a special moment. There, I found myself forever thankful to Sunshine Kids for igniting my spirit and granting me hope again.”

J.K. with Sunshine Kid Jordyn Knott

Each year, young cancer patients are selected to represent Kids with cancer from across the country. We salute our 2022 SpokesKids for their support and commitment to the Sunshine Kids Foundation.

Sunshine Kids 2022 Annual Report
Dear Friends,

For over 40 years, Sunshine Kids has strived to be a ray of light in the darkness for so many families battling childhood cancer.

I remain inspired by our donors, volunteers, and staff, who have risen to the unprecedented challenges of the past few years to move the mission of the Foundation forward and make us even stronger than before. Their dedication and resilience have allowed us to focus on the most important thing - the experiences created for our kids and their families.

We are grateful for all that you, our donors and volunteers, have done to make it what it is today and for your continued commitment to bringing happiness, strength and hope to children with cancer everywhere.

As you will see in the pages of this Annual Report, your support makes it possible for thousands of young cancer patients nationwide to create and hold onto numerous adventure-filled memories that will last them a lifetime. More important are the lasting bonds and friendships formed with other kids their same age, who understand firsthand what they are going through and know that they do not fight alone.

This past year we had the great honor to once again bring back our national events program, where teen cancer patients from hospitals across the country come together throughout the year to participate in 8 week-long national trips to exciting destinations and experience once-in-a-lifetime opportunities and friendships.

We are also proud to share that our scholarship program launched in 2022 in honor of our 40th anniversary, has already awarded 4-year scholarships to 19 Sunshine Kids teens to help them pursue higher education.

These activities and opportunities are why the Foundation thanks you for supporting our efforts to brighten the lives of children with cancer.

I’d like to share with you a special quote from one of our volunteer healthcare heroes, Erin Shields, a Child Life Specialist who chaperoned a group of patients on our Teen Chicago Getaway:

“Cancer can take away a lot of experiences, but Sunshine Kids shows you how to take those moments back. Plus, there’s the added bonus of getting to share these experiences with other kids and watch as these connections and friendships evolve. The shared understanding, respect and hope was truly magical.”

Together, with your support, we can continue to positively touch the lives of many more Sunshine Kids families for decades to come.
